

Invitation is Open to All

Hydro Power Project at Chetugai, Kodagu

“giving green energy to the nation”

The 10MW hydro power project at Chetugai contributes to infrastructure development and provides employment opportunities, along with clean and green power to the nation. It will prevent the emission of greenhouse gases and will help overcoming the acute problem of global warming being faced by the world.

Bhoruka Power Corporation Ltd, the project developer is organizing a meeting to get the views of the stakeholders on the project at (Manjanadaka Mini Hydel Project, Chethukaya, Bhagamandala Hobli, Madikere Tq, Kodagu dt, Karnataka state PIN: 571247)

On June 02, 2008 at 1pm.
